

## *Maze Master's Treasure Detailer*

*Name of Maze -*

*Treasure Category -*

**By rolling on the Maze Master's Treasure Companion, you have now determined the category. Roll again on the table below in order to find the final result.**

**Example 1 – If the Category is Gems-Rubies, there may be rubies shown below of various cuts, rarities, colors, or clarities.**

**Example 2 – If the Category is Relics-Magic Swords, you may show swords of various levels of power, various properties, and an array of magical abilities appropriate to the level.**

*Chapter 69 of The Iron Realm Podcast details Treasure in the Realm as a spoken tutorial. Listen or Play! The Choice is up to you.*
